The article *Pony lives the Lotto life*, tells about Fabio, the pony, one of the thousands of animals saved from death, injury or mistreatment by the RSPCA each year.

Each year:

- RSPCA ambulances rescue thousands of animals in emergency situations
- RSPCA volunteers help rescue thousands of sick or injured wildlife creatures
- RSPCA inspectors investigate thousands of cases of cruelty to animals.

Your class has decided to raise funds for the RSPCA to support its work. You are going to ask the students in your school to make a gold coin donation.

Plan a speech asking for support for your fund raising.

You should organise your argument in a clear way because you need to persuade every person to give generously.
