Little Red's Adventure

Once upon a time a little girl was walking in the forest.

Suddenly a wolf appeared. "Where are you going?" asked the wolf.

"I'm going to visit my Granny," answered Little Red.

"What's in your basket?" asked the wolf.

"A cake," answered Little Red.

The wolf raced to Granny's house and locked her in a cupboard. Then he hopped into bed with a nightcap on. When Little Red arrived the wolf called for her to come in.

"What big eyes you have, Granny," whispered Red Riding Hood.

"All the better to see you with," answered the wolf.

"What big teeth you have!" gasped Red Riding Hood.

"All the better to eat you with!" snarled the wolf. Little Red screamed. Luckily a woodcutter heard her. He killed the wolf and let Granny out of the cupboard.

"Let's have tea," said Granny. So they all had tea and shared the cake.
