Playground Rules!

Chapter 1

Zac and Ella love their playground. Zac's basketball team plays one-on-one there on Saturday mornings. Ella's soccer team plays kick to kick there on Friday afternoons. Their little sister Millie likes playing on the swings with her friends.

One afternoon, Zac and Ella saw a sign on the playground's fence. NEW APARTMENTS COMING SOON. "They're going to build on our playground. That's terrible!" exclaimed Zac. "You are right. What can we do?" asked Ella.

"I know! We can organise a meeting and think of ways stop this from happening," suggested Zac. "Great idea! I can make posters to advertise the meeting," offered Ella. "Then, we can put them in people's letterboxes," said Zac.

Zac's friend Costa rode past on his bike. "Hey, Costa! Do you want to help save our playground?" shouted Zac.
