

There are many strange fish in the sea. One kind of fish has a nose like an elephant's trunk. Another kind has horns on its head like a cow.

One fish can fill itself with air. It does that when it's afraid. It blows up like a round ball. And it looks very strange. Then most fish will leave it alone.

- 1** The story says that in the sea there are many
 - a** fierce fish.
 - b** strange fish.
 - c** large fish.
- 2** One kind of fish looks like it has the
 - a** trunk of an elephant.
