

UNIT 2 ANSWERS: Check your punctuation

Saturday Morning Athletics

On Saturday I went to athletics in Pines Park. My three friends Jane, Tim and Zac went too.

I ate a big breakfast so I would have lots of energy. Then Dad drove us to the track.

First I did some running. After that I had a go in the long jump pit.

Finally a tall trainer showed us how to throw a silver discus.

We had great fun. Athletics is a good way to stay fit.
