### Story of the Week

*The Lion and the Mouse* is a very entertaining fable. It's about a mighty lion and a little mouse who become friends.

While the mighty lion is asleep in his den, a little mouse is playing on his back. When the lion wakes up he is angry and tells the mouse that he is going to eat him. The mouse begs him to save his life and to be his friend. The lion laughs. He doesn't think he could be friends with a little mouse, but he lets the mouse go.

Sometime later, the lion is caught in a hunter's net and is rescued by the brave mouse. The lion is very grateful, but the mouse says that it was his turn to save his friend's life.

I think this is a really important story because it teaches people a lesson about friendship and bravery. I also believe that it's a lovely tale for people who enjoy fables or stories about animals.
