

Words Their Way™

“We started looking for a spelling program that was going to be **student orientated, hands-on, differentiated** and linked to the student’s reading and writing program. When we were introduced to **Words Their Way** we found that it was going to cater for all of these needs.”

**Helen Ottaway, Primary Curriculum Coordinator,

Words Their Way: Word Study for Phonics, Vocabulary, and Spelling Instruction Fifth Edition

Achieve better results in your classroom with **Words Their Way**, a highly regarded resource on word study for phonics, vocabulary and spelling instruction.

Words Their Way and its companion volumes enable you to assess, clearly identify and document each student's spelling stage, and tailor activities to improve your student's spelling knowledge.

Words Their Way is a teacher-directed, student-centred approach to vocabulary growth and spelling development whereby students categorise words using picture, pattern and meaning word sorts and activities.
