

Activity

How Often?

There are some places that we visit regularly and other places that we don't visit very often.

- Colour the box next to each place to show how often you visit it.
Use the key below.

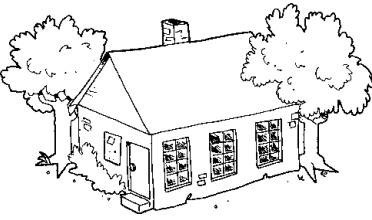

Green = once a week or more.

Orange = less than once a year.

Blue = once or twice a month.

Red = never.

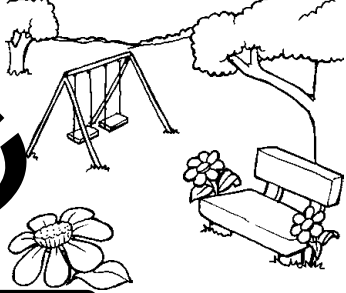

Yellow = one to three times a year.

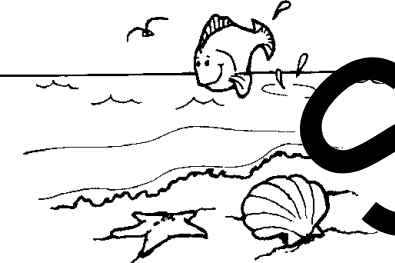

your school

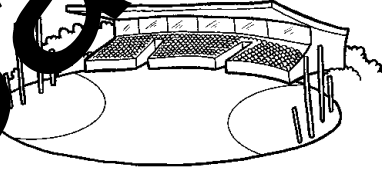

the local shop

the local park

the beach

a sporting venue

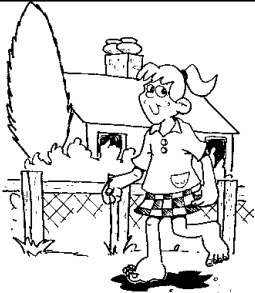

another town or city in Australia

another country

the theatre

a friend's house
